

COMPREHENSIVE
DENTISTRY

Welcome

We are pleased that you have chosen us to provide you with dental care. Our new patients receive a thorough examination at their first appointment. It will take approximately 1 and ½ hours and consist of the following:

- Review of medical and dental history
- X-ray Examination of all teeth and surrounding areas
- Clinical examination of teeth and all soft tissues
- Periodontal Charting

As a result of this careful examination, together we can develop a plan of treatment. Appointments will then be scheduled for a cleaning or any other desired treatment. We will make every effort to respect your time and be on schedule for all of your appointments. If you must change an appointment we ask that you please give us a 24 hour notice.

For patients with dental insurance, we are glad to assist you in obtaining your assigned benefits. Please be sure to bring your current dental insurance card with you to your appointment. Please feel free to contact our office with any questions or concerns you may have.

We look forward to seeing you on

Sincerely,

G.R. Van Etta, D.M.D.
Laurie A. Kitson, D.M.D.
Joshua O. Bietenholz, D.M.D.
Steven A. Garrett, D.M.D.
